

Web publishing policy:

- Please submit forms and flyers as a word document in Arial font or a PDF. All forms and flyers must have prior written approval by Dr. Sidell. It is the responsibility of the requestor to obtain that approval in writing.
- Please give the web publishers 3 school days to publish your requests. Although we do our best to react as quickly as possible, we are volunteers and perform web duties in our spare time. We cannot guarantee an immediate response.
- For photo submissions, please see policies listed on the web.
