

**SHARE YOUR TALENTS, EXPERIENCES, INTERESTS AND KNOWLEDGE WITH
THE STUDENTS IN THE MELROSE PUBLIC SCHOOLS**

The Bridge: A School/Community Partnership will soon prepare the next Human Resource Directory to be used by the teachers, administrators, and enrichment coordinators in the Melrose Public Schools. The way the Directory works is this...you tell us about the topic on which you could speak or give a demonstration. You tell us to what grade(s) you think your program is best suited. Your topic, name, occupation and phone number are listed in the Directory. The Directory is given to every teacher/administrator/enrichment coordinators in the system. They are then able to ask for help from those members of our community whose skills and interests best augment the curriculum. Teachers/administrators/enrichment coordinators call you to arrange a mutually convenient day and time. If you are not available at a time requested you are under no obligation to say yes. You are always welcome to accept or reject any request to speak, give a demonstration, show slides or a video. This is a wonderful way to be involved with the Melrose educational experience. To be included in this year's directory we must receive the form by October 1. Information received after that will be included the next academic year.

Please return this form to The Bridge: A School/Community Partnership, 360 Lynn Fells Parkway, Melrose, MA 02176, fax it to Emily Rubenstein, Coordinator of Volunteers, 781-979-2285, or email the information to erubenstein@melrose.mec.edu.
