

FEBRUARY VACATION FULL DAY PROGRAMMING

February 20-24, 2012

Full day programming will be available throughout February Vacation 2012. Programming will include art projects, gym games, outdoor play (weather permitting), building activities, computer lab, community games, library time, and a movie each day. On Wednesday and Friday students will be going off site for field trips. Tuesday and Thursday we will have a specialty activity come to us! Please see that students eat breakfast before attending. Students must come prepared with a NUT FREE lunch, and snacks for the morning and afternoon.

On Tuesday and Thursday, Tony Fonseca brings his “**All Hands Drumming**” program to Education Stations! The color code drum system on which the program is based provides students with the opportunity to quickly learn rhythm patterns, feel accomplished and have fun while developing individual skills and group experience. Wednesday, students will head to “**Monster Mini Golf**” in Danvers, for a jam-packed afternoon of glow-in-the-dark, indoor putt-putt and interactive FUN! Friday’s fieldtrip is to Wheelock Family Theatre in Brookline, where students will enjoy a live performance of **The Wizard of Oz!**

Programming during February Vacation will occur at the Lincoln Elementary School, starting at 8:15 and concluding at 6:00 p.m. Students will be available for pickup at any time during program hours on all days except Wednesday and Friday, when they will be offsite from 1:30-4:00pm and 11:45am-4:15pm, respectively. Please pick up and drop off students through Lincoln’s cafeteria doors located in the back of the building. Staff may be contacted during program hours at (781) 979-2146.

The cost for full day programming *per student* during February Vacation is \$55 per typical day and \$60 per specialty day. *Registration forms and payments should be returned to the site coordinator of the elementary school students normally attend. **Registration and full payment are due by 2/03/12.*** If registration is not received by this date, students will be accepted on a space available basis, with a late registration fee of \$25.
