

## Annual Fund

Did you know all of the PTO funds provide for examples from last year are:

wonderful opportunities our children? Some

- Five Smart Boards
- Field trip buses and scholarships
- Curriculum-based enrichment programs tailored to grade level
- Hundreds of new books for the library
- Beautification of our school and grounds
- Academic support for our teachers
- Several events for students and community members
- Classroom supplies, teaching aids and equipment
- The Hoover Directory of important information and family contacts
- Support to Hoover families and other community needs
- A new sign over the front door and benches for the playground
- Supplies and plantings for the new Hoover Garden

AND much more!

The funds provide a base of operation for the PTO. They support the children in countless ways and are used to provide a wide variety of opportunities. As a matter of reference, last year the PTO spent **\$67 per student** on activities and programs which directly benefitted them such as field trip buses, enrichment, classroom supplies, library books, and the school directory. With the economy so unpredictable, it is more important than ever to raise funds so that we may offer our children the best educational experience possible.

Last year approximately 40% of the Hoover Community generously donated towards the annual funds. We would like to raise the bar this year. Our new tax status makes all donations tax-deductible and makes them eligible to be matched by participating corporations.

We respectfully ask that you participate in the PTO fundraising efforts by contributing to the PTO Annual Fund.
