

Dear Students and Parents,

Congratulations on the completion of another successful school year! We want to wish you and your families a fun and relaxing summer. However, it is *never* too early to start thinking about the coming year!

In order to be prepared for fifth grade, we have put together the following list to help with your back-to-school shopping this summer.

Kindly bring with you to school on the first day:

- Six one-subject, wire-bound, wide-ruled notebooks
(1 red, 1 blue, 1 green, 1 yellow, 1 purple, 1 design of your choice)
 - Six two pocket folders
(1 red, 1 blue, 1 green, 1 yellow, 1 purple, 1 design of your choice)
 - One Five Subject notebook with folders as dividers
 - One clear protractor
 - One mathematical compass used to draw circles
 - One dozen sharpened #2 pencils with erasers
 - One package of blue or black pens
 - One plastic pencil case (zipper-type preferred)
 - One box of non-permanent colored markers
 - One box of colored pencils
 - One highlighter
 - One box of facial tissue
 - One container of Clorox wipes
 - One package of thick Expo brand white board markers (any color)
- *A special fifth grade homework notebook and homework folder will be required and provided by the teachers on the first day of school!*

Please do not bring three-ring binders to school. They do not fit very well in the desks. Also, please mark all of the above (except pencils and pens) with your name! We are hopeful that these supplies will get us through the first half of the year. We will let you know when and if replacements are needed.

Once again, have an incredible and safe summer. We are really looking forward to seeing you in September.

Sincerely,

Mrs. Beaudet, Mr. Cyr, and Mrs. Bertolozzi
