

You are invited to attend an
IMPORTANT HORACE MANN PTO MEETING
Wednesday, March 24
6:30-8:30 in the All Purpose Room

3/12/10

Dear Families,

As Mr. Strasnick mentioned in the March Happenings, the results of the parent survey were discussed at the February PTO meeting.

Since that meeting, I have had many conversations with parents on the phone, in the schoolyard, and in passing, who were unable to attend the meeting. However, while they stressed that wanted to know the results, they are also looking for a forum to discuss some of the topics.

Therefore, the PTO has decided to dedicate this month's PTO meeting, **scheduled for March 24th**, to solely discuss the survey results. Mr. Strasnick will review the multiple choice questions, supply examples of the 'free-typed' comments and provide feedback about what the Horace Mann staff is doing in response your concerns. In addition, the PTO Board hopes to answer the questions you raised that pertain to the PTO.

We would greatly appreciate your attendance at this meeting.

- € Will you be one of the lucky attendees that wins a door prize?
- € I myself have childcare constraints - hence why Emily and Tommy attended the last PTO meeting. To help those parents who may be in my boat, **babysitting will be provided**, and children are encouraged to bring a bag containing a book, a game, their favorite toy, etc..
- € Looking to get involved or help the school some how? But then you wonder "how can I help" "how much time will it take" "do I even have the time" and "can I help out last minute". Head on over to the **volunteer table** and we would be happy to give you some food for thought.

Horace Mann has over 200 wonderful families attending our school. Whether you're a new family to the school or have been here for 5+ years, this meeting is for you. ☺ We look forward to seeing as many parents as are able to make it **on the 24th**.

Respectfully yours,
Jen Waden
PTO Co-President
