

Dear Fifth Grade Family,

Attached are the minutes from the 6/7/11 meeting with Principal Conway held in the Lincoln cafetorium. Quite a few topics were discussed. As you can see 5th grade is an exciting and event-filled year! These events require time, support and last, but definitely not least, funding (typically the necessary \$10,000 has been raised through fundraising). Our hope is that the 2011-2012 families have some innovative and creative ways to supplement the cornerstone pieces that have been historically successful.

Please watch your email account for information and important dates. We cannot stress enough that this is a collaborative effort between the students, teachers and families so please, please, please ask for clarification if needed and your questions as they arise. We welcome your input and can't wait to work with the class of 2012.
