

There are so many “Easy” ways to help Lincoln School raise money or receive school supplies for free and every little coupon or ink cartridge really makes a difference! All items can be submitted together (a baggie with Coke caps, Box Tops and Labels for Education is fine). If you have a question about one of the programs listed, please contact me at jodiltex@verizon.net and I’d be happy to answer your questions. Thanks in advance for your efforts!

Jodi Texeira, your “Easy Fundraising” Coordinator

Box Tops for Education

Many items you purchase probably have small Box Tops coupons on them and each of those coupons is worth 10 cents for our school! Save your Box Tops and drop them off in the container under the main stairs in the atrium when you think of it. I collect all year long and empty the bin frequently. Visit www.boxtops4education.com to register yourself with the Lincoln School, view participating products, and download coupons for your favorite Box Top products.

Labels for Education

Labels for Education can be found on many products you use every day. Cut out and save the Labels for Education coupon (it will always have a UPC Code on it), then drop them off at school when able. Lincoln earns points for each label which can be redeemed for all kinds of school supplies. Visit www.labelsforeducation.com for coupons, view participating products and recipe info too!

Funding Factory In/Toner Recycling

The Lincoln School can earn as much as \$14 a cartridge! Drop off any inkjet or laser cartridges behind the bench under the main stairs, I will package and submit them. If your company goes through a lot of cartridges and it would be easier for you to **ship direct from the office** (shipping is free) instead of dropping off at the school, please talk to me and I can set you up with labels or boxes.

Stop & Shop A+ Rewards for Schools

If you shop at Stop & Shop (even a little) and have a Stop & Shop card, please consider registering the Lincoln School on your card. The Lincoln will receive points for every purchase you make, and those points translate into a check for the school in March. You can either register yourself at the website below or send the number on the back of your S&S card to jodiltex@verizon.net and I can register for you. To register yourself, visit www.stopandshop.com/aplus and click on **Register Your Card**, Lincoln School ID is **07353**.

Target Red Card – Take Charge of Education

If you have a Target Red Card or Target Visa, adding the Lincoln School to your Profile will send 1% of every purchase you make to the Lincoln School. Visit www.target.com scroll to the bottom and click on **Manage MyCard**. Login to your account and look for the **Take Charge of Education** link, search for the Lincoln School and add it to your account.

My Coke Rewards Codes

If you purchase Coca-Cola products, please save your bottle caps and 12-pack flaps. You can either enter codes yourself or send the caps and flaps into school and I will enter them. To enter yourself, visit: www.mycokerewards.com/mcrSchools.do then search for Lincoln by entering the Zip Code: 02176. Choose Lincoln and enter your codes.
