## Financial Aid Workshop

Thursday, November 10, 2011  
MHS Resource Center  
7:00 – 9:00 p.m.

## To the Parents of the Classes of 2012 and 2013

The Guidance Department cordially invites you to attend a Financial Aid Workshop, which is designed to provide information about the process of applying for financial aid. The workshop is available to parents of junior and seniors who want to get an early understanding of the sometimes-complicated process. The college financial aid process can be confusing especially the first time, and there is no reason for parents to do it alone. With our educational MEFA counselor, we expertly guide parents through the financial aid process helping them avoid wrong turns and pitfalls.

**To further assist families in the college financing process, MEFA has developed a one-top website...[www.mefacounselor.org](http://www.mefacounselor.org)**

A Representative from the Massachusetts Education Financing Authority will be present to answer questions.
