

Rookie Inspiration Team Award Winners

iRaiders team robot

Robotics Demo / Lego Open House

MVMMS

Wednesday, April 29th
4:00 - 7:00pm

Who should come?

Parents

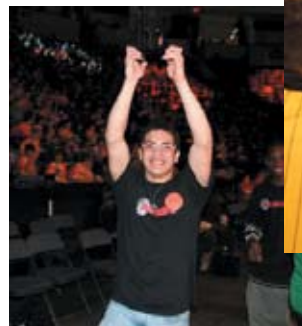

If your son or daughter loves math or science or simply likes to build - don't miss this event!

Engineers & sci- tech professionals

Who want to learn more about how to inspire young people about science and technology, and perhaps mentor a team.

Kids

Boys and girls of all ages! You can think like scientists and engineers in a fun hands-on learning experience!

Stop by the open house to meet the team, see the trophy and drive the robot yourself! Watch a mock robotics competition.

See the Recreation Department's middle school Lego League Mindstorms teams the "Lawn Gnomes" and "Hurricanes" demonstrate their skills and teamwork!
