

Possible Goals for the Melrose School Committee for 2012: For MSC Meeting Dec 20, 2011
Goals are for voting, action items will be determined after and are only for illustration.

- 1) Committee actions are tied to existing plans such as Strategic Plan, Communication Plan, District Goals, Capital Plan, NEASC report, SIPs.
Action Items:
 - a) All plans will be listed in a single place on the web site
 - b) Agenda items will reference appropriate plan items.
 - c) Committee will strive to use language from the plans and identify plans being followed when appropriate.

- 2) Monitor adoption and revision of curriculum district-wide.
Action Items:
 - a) One School Committee member will participate on the Curriculum Council and will provide updates to the committee.
 - b) EP&P Subcommittee will have at least quarterly presentations covering some aspect of curriculum.

- 3) Committee members should take part in additional educational opportunities to help them make more informed decisions.
Action Items:
 - a) A web page will be set up for information that Committee Members wish to share with each other, particularly from conferences, webinars, meetings etc.
 - b) One member will regularly post a list of educational opportunities that members may want to participate in.
 - c) Twice per year members will share the types of activities they have participated in.

- 4) All members will participate in the creation and support of the process for hiring a new superintendent, and will participate in the final hiring decision when the Search Committee brings forward their recommendations.
Action Items:
 - a) Two members will participate on the Superintendent Search Committee and will report back to the full committee periodically.
 - b)

- 5) Create a working group to look into and possibly create a district document similar to the Needham Performance Report
 - a) Create working group
 - b) SC discuss what resources will be needed to create a Melrose Performance Report
 - c) Create a Melrose Performance Report

- 6) Placeholder for goal(s) associated with implementing the new evaluation instruments.
To be determined in approximately June 2012.
