Re: FY2012 Monthly Report – December

Attached you will find the FY2012 Monthly Update for December, which consists of a one page summary of budget categories and applied funds along with a FY2012 budget report sourced directly from MUNIS in an Excel format.

There are no financial changes to highlight related to the FY12 MUNIS Budget Report for December for the Summary of Budget Categories and Applied Funds.

Please note that the current negative balance listed for OGE on the Summary of Budget Categories and Applied Funds page is based on current encumbrances and includes some expenses that are going to be covered by grant funds.
