ADULT EDUCATION POLICY

1900

Classes for adults may be offered for evening school participation in those subjects where there is an approved instructor available and there is sufficient enrollment to keep the class self-supporting.

An adult shall be considered to be a person of post-high school education or age.

Tuition fee will be determined so as to insure the entire program will be self-supporting. Tuition fee will be payable in advance. Cost of materials, supplies and texts will be borne by the student.

In any case where course enrollment exceeds the predetermined limit, residents of the district will have preference and within that group chronological order of registration will hold preference.

The program will be administered by the Director of Adult Education with the approval of the Superintendent and the Committee.
