Re: Upcoming Presentation
3/10/10

On Wednesday, March 31st, we are fortunate to have Kathleen McMahon coming to speak to us at the Melrose Veterans Memorial Middle School in the 2nd floor Project Room from 3-4 p.m. for a presentation focused on answering the following 2 questions:

1) *What is the difference between a gifted learner and an academically advanced learner?*
2) *How can we support **both** groups of students in the classroom and at home?*

Although we have offered similar presentations in recent years, we feel it is important to continue to offer this information, especially for the benefit of staff and families who are new to our district. Kathleen has been actively involved in the Framingham SAGES Program. This is a well-established program designed to meet the needs of gifted learners in the Framingham Public Schools.

If you plan on attending, please RSVP by March 22nd to Denise Jones by calling her at: 781-462-3257. Leave your name, phone number *and email address*. Denise will then send an email reminder to you prior to the presentation.

We hope to see you there!

Sincerely,

Pat Muxie
