

School Site Councils

Winthrop: Principal, 3 teachers, 4 parents, 1 community rep

The teachers nominate and vote for teacher openings. A notice is sent home via a summer mailing soliciting parent volunteers. Parents volunteer themselves and/or nominate other parents to fill vacancies. Voting takes place using a paper ballot to fill parent positions during an election process in September. The Council will convene for the first time prior to the mandated 40 days (Oct. 10, 2011) following the start of school.
