

Welcome to the Winthrop Elementary School Website. I hope you will find the Winthrop website to be a great source of information. Please check back often and stay up to date on the latest news at Winthrop. You can also register for Principal's Email updates, which include our monthly newsletters.

Winthrop is a tremendous place to learn and work. We have outstanding, students, staff, parents and community members. The history and traditions at Winthrop run very deep. I am impressed with the pride in Winthrop that students and families show. It is clear that this is a driving force in the success of Winthrop. The family and community involvement creates a very welcoming and responsive environment.

The staff at Winthrop also embraces the same Winthrop pride. We are very fortunate to have a talented and caring group of teachers and support personnel. The students are challenged daily with a demanding curriculum and supported as they explore new concepts and ideas. A true sign of a great school is one where there is plenty of laughter and smiles. A walk through the halls and classrooms at Winthrop will be all one needs to see that Winthrop is a place where people are happy, learning and engaged.

I encourage you to be an active participant in your child's education. Spend some time talking to your child about what he is learning. We have an active volunteer network, the Bridge, for parents to get involved. Our PTO is also a very active group of parents and community members who spearhead many initiatives and programs in the building. When visiting the Winthrop School, please do keep in mind our security procedures and always come into the main office through the main entrance and sign-in as a visitor or volunteer.

If you have specific questions please contact your child's teacher either by phone or email. If you feel a conference would be helpful, just schedule a mutually convenient time to meet with the teacher.

If you should ever need to speak directly with me, please call or see our school secretary. If I am available, I'd be happy to spend some time with you. If I am unavailable you can leave a message or schedule an appointment with our school secretary. Best wishes to everyone and thank you again for visiting the Winthrop School Website.
